

Dear Parents,

Welcome back after the Easter break. I hope you all had a lovely time with your children.

We have a busy term with Y5 & Y6 residential visits, SATS, sports day, summer festival, family party and more. I'm certain it will be yet another speedy term that comes to the end before we've even started. I have included all the dates known so far for the term in 'dates for your diaries'. This is not exhaustive so please check future newsletters for any additions and your child's book bags for communication from the class teacher.

Sue Dury

CLASS ASSEMBLIES

We are into the term when class assemblies will be held. I know as a parent it's important to be part of these special events if at all possible, although as a working parent I also know how difficult it can be.

Due to the capacity of our school hall you will appreciate how restricted we are for numbers when we have all the children in there therefore we need to restrict the invite to watch to a maximum of 2 parent/family members per child.

Unfortunately on these occasions we will have to say **no to younger siblings**.

The assemblies will be on a Tuesday and start at 10:00am.

Please arrive in time to come into the hall and be seated before the children come in.

The dates for the assemblies are in the 'dates for diaries' at the end of the newsletter.

Year 5 & 6 parents do not have a morning assembly time as you are invited to a presentation evening about the residential visit that your child goes on this term. Please check the dates for your child's assembly.

Sainsbury's
Active Kids
 Eat well • Move well • Live well

The Sainsbury's Active Kids vouchers have now stopped being issued at Sainsbury's. Please make sure you send in all your vouchers to be counted.

Any screwed up vouchers lurking at the bottom of handbags gratefully received.

REMINDER

We are a nut free school. Please make sure your child does not bring any food items to school in a packed lunch which may contain nuts.

We have recently discovered children with cereal bars that have traces of nut in them.

We have a few children at school who are allergic to nuts and it is important that we all help to keep the school environment safe for them.

**PLEASE BE VIGILANT
& READ PACKAGING.**

ARRIVING AT SCHOOL

The gates to the playground unlock at 8:45am. Please **do not** arrive at school before this time unless you are attending a before school activity.

We are finding a few children who walk to school unaccompanied arriving very early and consequently having to wait on the green or by the school gates.

There is no supervision of children before 8:45am.

DATES FOR YOUR DIARY

May - Quality

Monday 8th – Thursday 11th – SATS week

Wednesday 10th

- Y5 – PGL
