

Dear Parents,

I hope this finds you well.

I have some personal information to share with you. I will be going into hospital on Monday 18<sup>th</sup> February for an operation, and unfortunately I have been told I will not be able to drive or come to school for 6 weeks following the surgery. This means I will be away from Ickleford for the half term leading to Easter. Mrs Wright, Mrs Banbury & Mrs Pedder will oversee the day to day operations and I will be in contact via phone and email for any decision making that needs to happen.

Best Wishes

Sue Dury

## School Drop Off

School starts at 8.55am. It is expected that children will be in the playground ready to line up by 8.50am. We are experiencing an increasing amount of late arrivals this term. We are monitoring this closely and will be contacting parents if this becomes a regular occurrence.

It is unsettling for a child to enter a class when the day has started and is also disruptive for the children who have already started their learning.

Thank you for your co-operation with ensuring your child starts the school day on time.

## SCIENCE DAY

We have an exciting science day on Monday for all the children to participate in. Please ensure you have paid the £2.50 requested for your child to take part in this amazing experience.

## Dates for your diaries
