Year 6 Bikeability Cycle Training (Level 2) 19th-23rd June 2017

Dear Parents,

As previously discussed, our Year 6 students will be starting their **Level 2 Bikeability Cycle Training Course**, week commencing **19th June 2017**. The course consists of 5 daily sessions either in the mornings or afternoons, depending on the group your child will be in.

I have enclosed 'A Highway Code for young road users' and detailed information on the basic requirements for the course and important checks to ensure your child's bike is road worthy before the start of the course. It is essential that these checks are carried out so that your child is allowed on the course. Also could you please detail any important special needs or requirements for your child, that you feel the instructors should know, on a separate piece of paper so that the information can be passed on.

As mentioned earlier this year, the cost of the course is **£25:00**. We would be grateful if you could complete the consent below and send it with the payment into school by Friday 1st July. **We regret that your child will not be able to do the course if the consent form is not brought in.**

If you have any questions please do not hesitate to contact me via the school office.

Yours sincerely

Mrs Kim King
