

19th May 2017

Reception Class Trip to Shepreth Wildlife Park

Dear Parents and carers

We have arranged for Reception Class to visit Shepreth Wildlife Park on Wednesday 21st June 2017, which offers an award winning "Out of the Classroom" experience for the children to enjoy and to see the wide range of domestic and wild mammals, birds, insects, reptiles and fish and their habitats.

We will travel by coach and aim to leave school by 9.15 am and return in good time for the end of the school day. We are fortunate to also have some experienced adult supervisors to accompany the children on this very exciting day out. We are seeking some more adults to join us on the trip, so if you are available and would like to join us, please complete the separate section below. Please note, we may not need all volunteers.

Please provide a disposable packed lunch in a named carrier bag so that all rubbish can be thrown away. Should you wish your child to have a school packed lunch, please complete and return the attached order form with your reply slip.

If your child has any allergies or requires any medication, please could you discuss this with me so that we can make arrangements to ensure that we have everything that we need.

It is necessary to ask for a voluntary contribution of £20.00 per child to cover the cost of the return coach and admission fees. Unfortunately we will have to cancel the trip if there are insufficient funds as there is no additional funding available from any other source.

Please complete the permission slip to confirm your child's attendance along with the payment by Wednesday 7th June 2017.

Kind regards

Rebecca Game

Reception Class Teacher
