SATs!

Dear Parents,

As you are aware, it is SATs week next week. After all the weeks of preparation, pupils now will have a chance to prove what they can do.

I thought it would be useful to provide you with the official test timetable.

Date	Subject
Monday 8 th May	English reading test
Tuesday 9 th May	English grammar, punctuation and spelling test
Wednesday 10 th May	Mathematics arithmetic test Mathematics reasoning test
Thursday 11 th May	Mathematics reasoning test

All of the tests will take place in the morning. If for some reason a child cannot get into school, please let us know as soon as possible - they will be expected to take the test upon their return.

Just a few more tips: Please make sure your child gets a good night's sleep and eats something for breakfast. We will provide a small bottle of water for each child to have during the tests.

While obviously we want the children to do their best, their well-being is our first priority. We will endeavour to make the week as stress-free as possible and I am sure the children will all do well.

Thank you for your continued support.

Yours Sincerely

Mrs Kim King

Miss. Aksoy
