

Reception Spring Term – Curriculum Overview 2017

These are the age related expectations for teaching and learning and when they will be formally assessed throughout the Reception year. All aspects of the curriculum are available for the children to explore and develop their understanding throughout the year in our continuous provision. For example, the concept of “time” will be formally assessed in the summer term, but the children will have opportunities to explore the concept of “time” throughout the year with clocks, stop watches and timers being available to them. We will also provide continuous references to “time” related knowledge or skills during their day.
